8 JUNE 2008.

KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,
hope and love is experienced'*

KEEPING LOW COMPANY.

About forty years ago I read 'The Two-Edged Sword' by the Jesuit Biblical Scholar John L. McKenzie. At this remove I can recall only one sentence from it. One that's still as sharp today as the two-edged sword he was writing about then. It still penetrates deeply, and pains. That sentence reads: 'Jesus was often accused of keeping low company. Many of his followers, however, seem to have risen above that criticism.' *Ouch!*

Today's Gospel puts me in mind of it. 'I have come to call not the righteous but sinners.' One way of knowing that it's God's word we're hearing and not our own, is when it's difficult to take. We hear what the word is saying, but don't like it. We try to explain it away, water it down, or ignore it - but we can't. It won't go away - now or ever. It packs the same punch forty years down the line.

When that word penetrates so does God's Spirit, directing it, planting it, nurturing it. It changes us when we trust it. Matthew trusted it as he heard Jesus call: 'Follow me.' And it changed him. From stagnating at a tax booth he became energised to journey into the unknown.

That's another way of knowing that it's God's word we hear: it's open-ended. It can take us anywhere - especially to places we would never dream of going on our own.

THE KILLASSER/CALLOW PARISH CALENDAR 2008 was produced last year as a fund-raising project for the parish renovation fund. It was hugely successful. Sincere thanks to everyone involved in the project and to all who purchased and sold the Calendars. There were 3,000 copies printed and almost 2,000 were sold. It cost very little to print the extra thousand. There are still some copies available which people might still like to have as a souvenir.
