THIRD SUNDAY OF ADVENT

17 DECEMBER 2006.

KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,
hope and love is experienced'*

THE DIVINITY CODE.

It's been a good year for lovers of theological conspiracy theories with Dan Brown's 'Da Vinci Code.' But every Advent, there is another hidden puzzle that escapes notice, right under people's noses.

They're called the 'O' Antiphons which are prayed every Advent from about the 7th Century onwards. They form an increasingly urgent plea from a weary world for its redeemer to come. Each day from 17th to 23rd December, beginning with the letter O, we have various titles for the coming of Jesus. O Wisdom, Lord, Root of Jesse, Key of David, rising Sun, King, Emmanuel.

In the original Latin, if you read the initial letter of each title backward (Sapientia, Adonai, Radix, Clavis, Oriens, Rex, and Emmanuel), you get EROCRAS. It literally means an enigmatic 'I will be tomorrow.'

But, why tomorrow? Why not today? Why the wait? Sometimes we only understand things when we look backwards. Life is lived forward, but understood backwards. We may only know the full meaning when a prophecy is fulfilled and we look back. It's the same with our life. In God's holy flirtation with the world, we don't fully understand things. Advent has us looking forward to a coming, but it seems that it will be afterwards, when we will fully grasp the rhyme and reason for things.

MASS ON CHRISTMAS NIGHT IN KILLASSER AT MIDNIGHT OR AT AN EARLIER TIME? A number of people have asked does it have to be at 12 Midnight or could it be celebrated a little earlier to suit children and older people. Nothing is set in stone and change is always possible. As a result of putting the question to the congregations last weekend and listening to the responses - those who gave their views to the Pastoral Council Members all wanted the Christmas Night Mass to be celebrated at 12 Midnight again this year - those who gave their views to Fr. O'Mahony - 3 wanted it to stay at 12 Midnight and 15-20 wanted it to change to an earlier time like 9 or 10 p.m. It is important that the Parish Pastoral Council would hear and take into account all views on both sides of the debate. The Pastoral Council does not decide what should happen, in isolation, but only after reflecting on the views and wishes of the people of the Parish, in so far as it is possible to get those views. It will always try to represent the wishes of the majority of the people. As a body it must always be open to the possibility of change. The feeling at the meeting last Wednesday night was that more people wanted Mass at 12 Midnight than at an earlier time. It was also felt that enough time wasn't given to decide to change this year. The Pastoral Council has been discussing the possibility of a parish questionnaire for the past number of months. It now seems more relevant than ever - what do we really want at Christmas and Easter as regards Church Ceremonies/Services? Another issue that needs to be discussed is the timetable of Masses on Christmas Morning - 10 a.m. Mass in Callow and 11.30 a.m. Mass in Killasser are too close together for the one Celebrant. How about Callow at 9.30 a.m. or Killasser at 12 Noon? We certainly seem to have one very real and relevant question for a Questionnaire.

CHRISTMAS EVE IS SUNDAY THIS YEAR: At our last two Parish Pastoral Council Meetings the Mass times/schedule for Christmas were discussed. It was suggested that we could have two vigil Masses on Saturday 23rd December - 7.00 p.m. in Callow and 8.00 p.m. in Killasser - and leave Christmas Eve Morning free. This has now been accepted unanimously as a result of putting to the congregations of last weekend..It will now be easier to focus on the Christmas Vigil Mass.

KILLASSER COMMUNITY ALERT COMMITTEE has been sanctioned for a Grant of €5,840 for extra security equipment. This will be given by the Department of Community and Rural Affairs. It is expected very shortly.

THE SACRAMENT OF RECONCILIATION/PENANCE will be celebrated in two more Parishes of our Cluster on Monday and Tuesday next - see below. Priests from within the cluster will be administering the Sacrament at each of the services. If you were unable to attend in our own Church, feel totally free to go to one of the other parishes. It will not be celebrated in Foxford as that was part of the Mission held in November. Venues, Dates and Times are as follows:

THE ANNUAL ECUMENICAL SERVICE FOR CHURCH UNITY WEEK is being hosted this year by Killasser Parish. Church Unity week is from 18th - 25th January. At the Pastoral Council Meeting on Wednesday Night last it was decided to have it on Wednesday 24th January. The Service will commence at 8.00 p.m. in Killasser Church and it will be followed by refreshments in Killasser Community Centre afterwards. People of all faiths and none are invited and welcome to attend. This will be the first time for Killasser to host this event which was always held in Foxford until the formation of our cluster.

THE NEXT EDITION OF THE CLUSTER NEWSLETTER is being printed at present and will be available for Christmas. There will be a copy for every family/household in the Parish and for visitors who might like to have one.

TROCAIRE - THANKS FOR GLOBAL GIFT SUPPORT: Congregations all over the country have been tremendously supportive of Global Gift this year as in previous years and there is still some time to purchase gifts on behalf of family and friends. These gifts make a life-changing difference to their recipients in developing countries. For example in 2004 the public bought over 30,000 clutches of chicks for families in Central America. In the village of San Juan Pueblo, a close-knit community in northern Honduras, 47 families received chicks. When they received news of their gift the community worked together to build hutches from wood and corrugated metal with individual pens of sticks and mud. The chicks have provided an extra source of food and income for the whole community and this has made life easier for all 200 people who live in the village. There are four easy ways to purchase your gifts: **By Post:** Post completed order form with payment to Trocaire, FREEPOST, Maynooth, Co. Kildare (or fax it to +353-1-505 3295) or Trocaire, FREEPOST, BEL 1230, Belfast, BT1 6BR. **By Phone:** CALLSAVE, Trocaire at 1850 408 408 (ROI) or FREEPHONE 0800 912 1200 (NI) with details of your order, your address and your credit/debit card details. **On-Line:** Order your gift on-line at www.trocaire.org/globalgift or through 02 I-mode on enabled mobile phones. **In Person:** At Trocaire Offices in Maynooth; 12 Cathedral Street, Dublin; 9 Cook Street, Cork and 50 King Street, Belfast or at your nearest Veritas store in Dublin, Cork, Ennis, Sligo, Letterkenny, Derry or Monaghan.

THE LIGHTS ON THE CHRISTMAS TREE OUTSIDE KILLASSER CHURCH have been connected up this Saturday afternoon by Kevin and Brendan Hughes, Coolegrane. It looks very well and will be switched on at an appropriate time.

A CHRISTMAS TREE FOR INSIDE KILLASSER CHURCH has also arrived this Saturday. It has been given once again by Kevin Egan, to whom we are very appreciative for his thoughtfulness. It and the Crib will be erected later in the week.

THE DECORATION OF KILLASSER CHURCH FOR CHRISTMAS will be carried out on Friday evening next 22nd December, commencing at 6.00 p.m. **Everyone who is willing to give a helping hand is invited to come along.**
