FIRST SUNDAY OF LENT

1 MARCH 2009.

KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,
hope and love is experienced'*

'JESUS SAID TO HIS DISCIPLES.....'

In Matthew's Gospel passage for Ash Wednesday, Jesus is asking us to pay attention to how we give alms, pray and fast. It is so easy to pray without hearing what we're saying, to expect more of others and to fast without losing or gaining anything. Lent is a good time to look at these practices in new ways and see how they might enrich our relationship with God and others.

Begin with prayer. Pray for your community as you gather for Sunday Liturgy. Look at people you are gathered with and say a little prayer for each, like 'God be with you this day.' Really listen to what you are saying as you sing and pray aloud with the congregation.

Fasting is doing without something, usually food. Consider giving up complaining, and take delight in eating your food. Savour its richness and thank God for those who brought it to your table.

Give money or time to groups who feed the hungry in your community. Another way of giving alms might be to give words of encouragement and thanks to those you meet as you move through your day - family members, coworkers, workers in shops.

Enter Lent with a joyful heart and a plan of action!

'What plan of action will I make as I enter into this holy season? Will my plan lead to more joy in my life?'

ACCORD PRE-MARRIAGE COURSES - CHARLESTOWN CENTRE: In 2008 they delivered 10 Courses to 149 Couples and a 'mini course' to Couples. There were 20 Couples on some Courses. In 2009 they are reducing to 9 Courses because of fewer facilitators. It is highly recommended and encouraged that every couple would do a Pre-Marriage at least 9 months before the wedding date. At certain times there can be a waiting list of 2 to 3 Months which, when couples delay in booking, can result in them taking their course too close to their wedding date. All dates of Courses for 2009 are on a notice on the Church Notice Board and also appeared on a recent Newsletter. The Phone No. of Accord Charlestown is 094-9254944

OFFERTORY PROCESSION: When there is a Months Mind or Anniversary for your family member, it is most likely some members of the family of the deceased will be scheduled to bring the Offertory Gifts to the Altar. Do look at the Newsletter the week previous to the Anniversary Mass to get details.

OFFERTORY COLLECTORS: The number of people who take up the Offertory Collection has decreased over time. Because of this more people are needed so that a rota might be drawn up. If you are willing to become involved, you might hand your name in at the Sacristy. Of course this ministry is open to men and women. It is important to mention this, because we might get the idea that it is only something that men do.

COMPUTER CLASSES FOR BEGINNERS: It is planned to run another Computer Course for beginners in the New Computer Room in Killasser Community Centre. If you are interested in this course you should contact the following number 086-0564096 between 8.00 - 10.00 p.m. any evening during the week. This new room is state of the art so why not avail of the opportunity.

KILLASSER COMMUNITY CENTRE: To book Killasser Community Centre for any activities, meetings, functions or events, please telephone the following number 087-6913271 to avoid disappointment or over-lapping.

NOTICE TO CONSUMERS OF KILLASSER GROUP WATER SCHEME: Consumers of Killasser Group Water Scheme are advised that following a number of meetings discussing water quality issues and the introduction of new regulations governing the quality of water supplied by all water suppliers to do domestic consumers, the group has decided to commence chlorine treatment of all water supplied by Killasser Group Water Scheme in the immediate future. This treatment is necessary in order to comply with drinking water quality regulations and to eliminate the problem of intermittent coliform contamination of supply which the group has experienced for many years now. The group scheme has purchased the equipment necessary to treat the water and will begin commissioning it on a phased basis over the coming weeks. Consumers are advised that this work will be carried out by a specialist water treatment company which will provide the training necessary to operate the system safely as well as devising a quality control and testing system to ensure safe operation of the system, consumer safety and compliance with drinking water safety standards. This work may take a number of weeks to complete and consumers are advised to **continue boiling all water for human consumption until further notice.** Should any consumer have concerns or queries over this issue they are invited to contact Martin Noone (Chairperson) of the scheme at 087-2233225 to discuss them. The group wishes to

thank consumers for their support over many years. **Issued on behalf of Killasser Group Water Scheme by Martin Noone (Chairperson), Gabriel Howley (Secretary) and Gerry Cronnolly (Treasurer)**
