THIRTY SECOND SUNDAY OF THE YEAR

12 NOVEMBER 2006.

## KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,  
hope and love is experienced'*

### A GIVING THAT COUNTS.

Visitors to some fast-food restaurants will routinely be asked if they want to 'supersize' their order where for a little more, they can get larger portions. Many a person fundraising wishes that such a method was possible for them. Still, charitable donation is on the rise. However, we sometimes need to look more, at what we have left for ourselves, after we give. Those who give out of their abundance still have abundance left. And that's a problem.

In a strange way, when you're poor, the inclination to be generous is stronger. A little money more in your pocket won't make a lot of difference when you don't have much. But when you possess a lot, you never learn the answer to that question 'how much is enough?' Much can sometimes want more. Are we dependent on our money to give us all we want and need from life, or are we dependent on God to make us rich?

The widow of the Gospel's mite (less than a penny), a jar of meal and a jug of oil of the widow in the first reading, aren't much in terms of the stock exchange. In terms of faith, they are absolutely everything. And who knows, in the end after it all, an angel of the Lord may stand before us as we bring the gift of our lived life to God and you too may be asked.

*'Do you want to supersize that'*
