15 APRIL 2007.

## KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,  
hope and love is experienced'*

### WOUNDS THAT SPEAK.

In people of a certain age, talking about health takes on something of a sport status. As they compare their prostates, blood pressure or whatever, what can be going on is a bit of you-think-you-ve-got-problems-let-me-tell-you-mine! One priest jokingly referred when heading out on his sick calls to having an organ recital – he heard of every ailment under the sun. Jesus today shows his wounds, not in any kind of show-off manner. Maybe more to remind us that in life, a few of the wounds remain with us and if we are wise they serve as reminders of what we have learned through the suffering.

When you think of it, Jesus could have been resurrected without the wounds, it was in God's power. But no - the wounds remain. They're not just to convince the Thomas's of our world 'that we may believe (Gospel) They also remind us that you can only understand Easter Sunday in the light of Good Friday. Most people however, want their loved ones to return as they were, before illness, injury and dying disfigured them. They want the resurrection without the crucifixion. If there must be a Passion, let it be short and cosmetic. But for Doubting Thomas the proof of the resurrection is the crucifixion. The wounds are not just for show. Old Celtic Crosses in Irish cemeteries remind us of that, with a halo of light around the top of the cross. There is literally no cross without a crown.

KILLASSER AND CARRAMORE NATIONAL SCHOOLS reopen on Monday next 16<sup>th</sup> April. We welcome back pupils and teachers and hope you all had a most enjoyable Easter Holiday, not least because of the beautiful weather.

**DONATIONS TOWARDS RENOVATION AT CALLOW CHURCH:** Sincere thanks for the following donations towards the renovation at Callow Church and Killasser Parochial House - €5,000 / €1,000 / €1,000 / €250 / €100 / €50 / €100 / €100 / €50 / €50 / €50 / €200 / €1,400 / €150 / €400 / €1,000 / €250 / €50 / €300 / €200 / €200. / €100. / €100. / €300. / €200. / €100. / €300 / €250 / €60 These donations were received recently. **Other donations of any amount will always be welcome.**

**THE NEW SEATING FOR CALLOW CHURCH** was delivered on Monday 29<sup>th</sup> January. The new furniture definitely enhances the appearance of the church a great deal and highlights the excellent work that has already been carried out. Sincere thanks to those who have already made donations towards the cost of the new furniture, and to a number of others who have indicated they are willing to make a donation. The amount of each donation is €1,000. The total cost of the furniture is €38,483.52c. The conventional seat/benches in the main body of the Church will accommodate a minimum of 82 people. There are also 80 Chairs which will obviously seat 80 people. The chairs are placed in the choir area, baptismal area, the gallery and area inside the side door of the Church. Chairs are moveable and as a result give one the freedom to use the areas where they are for a variety of purposes. The chairs are connected to each other but can also be arranged in different formations. With traditional seating, one is very restricted in what one can do, because it cannot be moved around. This is a pity, because with buildings (churches) that so much money is spent on, it is a pity that they have not more flexibility for a variety of uses. Callow Church now has that advantage.

**SINCERE THANKS** to the 12 families who have contributed a €1,000 each toward the Callow Church seating. The total cost of the seating is just over €38,000, so further donations will be very gratefully accepted. **Two were received during the past week.** Your generosity and support is always very much appreciated.

**KILLASSER/CALLOW PARISH RENOVATION FUND ENVELOPES** hopefully will have been distributed to every home in the parish over the next week. The Parish Finance Committee, as has been announced some time ago, is asking each family to contribute €500 towards the recent renovations on Callow Church, Killasser Parish House and further work that will always be necessary at both churches and the Parish House. This direct form of contribution is necessary even though we have particular fundraising events from time to time. Your weekly offertory contributions are necessary for and just cover the every day running expenses of the parish. The suggested method of payment of the €500 is as follows: A once-off contribution of €500, 3 yearly contributions of €180 or a monthly contribution of €15 for 36 Months. Your support will be very much appreciated. The first contribution was due this March, as soon as you receive your special envelopes. **Sincere thanks to those who have already returned their envelope and contribution**

**THE JAMES KILBANE FUNDRAISING CONCERT** is the next special event to raise funds for the renovation of Callow Church and Killasser Parish House. Also performing on the night as guests are Brenda Greealis and recent All-Ireland Readoiri winners Lasair. It will take place in Callow Church on this Sunday Night 15<sup>th</sup> April. And it commences at 8.00 p.m. sharp. If you are attending the concert you are asked to come along in good time so that everyone can be seated comfortably before 8.00 p.m. It is unlikely if there will be many if any tickets available on the door.

**SPIRITUAL DIRECTION AVAILABLE:** Five women from Achonry Diocese have recently completed two years training in Spiritual Direction with the Jesuit Centre for Spirituality, Manresa. The Resource Centre also has a number of service available at very low cost such as Photocopying, Laminating, Binding and Fax. The staff at Cosgallen are available to give advice and assistance to individuals or groups on services and activities in the area and will recommend other services for queries outside their remit. Call in anytime. The Resource Centre is open Monday to Thursday from 10 a.m to 4 p.m. and Friday by appointment.

**INFORMATION SERVICE:** A service providing information and advice to members of the community will be available each Monday from 11.00 a.m. - 1.00 p.m. in Killasser Community Centre.

**THE KILLASSER/CALLOW PARISH QUESTIONNAIRE** which has been drawn up by a sub-committee of the Parish Pastoral Council and finalised and agreed on by the full committee, is being distributed at present. They will be delivered to every home in the Parish. Every person of secondary school age and upwards is being asked to fill in a questionnaire. There will be a plentiful supply. You are asked to have them returned as soon as possible - they can be dropped in to special boxes that will be placed in each church or you can deliver them or post them to the Parochial House. The idea of the questionnaire is to get as broad a view as possible on some questions that the Pastoral Council feels are relevant at the present time. Your willingness to fill up the questionnaire will be very much appreciated and valued. You have the option of signing your name to the questionnaire or staying anonymous. The choice is yours. Some areas of the parish have not yet received them, but hopefully you will during the next week or so.
