KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,
hope and love is experienced'*

THEY WERE TROUBLED AND ABANDONED, LIKE SHEEP WITHOUT A SHEPHERD.

In the Book *'Schindler's List'*, a group of Jewish women have been released from Auschwitz, against all odds, and are travelling on a train to what they have been told is a factory where they will work for the government. The train stops at a remote, unfamiliar location with concrete buildings, and they see SS men by the gate beating gloved hands for warmth. Their hearts go to their throats as they suspect it has all been a cruel hoax. And then they see Schindler. He smiles at them and says, 'You have nothing more to worry about. You are with me now.'

Many people in our world feel 'troubled and abandoned,' with nothing to hold on to or trust in after so many of the leaders and institutions they counted on have been found wanting. They may become easy targets for money schemes, beauty schemes, or health schemes, and then find themselves betrayed again.

Jesus looks upon us with the same love and understanding today as he did on the people of the first century. He tells us, 'You have nothing more to worry about. You are with me now.'

'In what areas of my life do I most need to trust in Jesus the Shepherd?'

HAPPY FATHERS' DAY

THE ANNUAL MASS AT ONE OF OUR OLD CHURCH SITES at Sron was celebrated on Friday evening last 13th June. It was a beautiful celebration of the Eucharist in a very special place attended by about fifty people. There was very good participation spiritually and socially. Anywhere people worship for any length of time is a very sacred place. It is something to reflect on that people worshipped here so many centuries ago in very different circumstances. It is because of the commitment of people like this that we are followers of Christ in 2008. It is very important to connect with our ancestors. For about twenty years now Mass has been celebrated bi-annually at this site and at Sron. Because of its frequency, maybe it has lost some of its appeal, has become more routine and people do not take as much notice, which probably accounts for the smaller gatherings in recent years. Of course we must always remember that even where two or three gather in God's name, He is there in their midst.

KNOCK SUMMER YOUTH FESTIVAL 2008: Living life to the full? Looking for something more? Tired of the same? This is what you are looking for! Time out for you Knock Summer Youth Festival July 24th - 27th, Our Lady's Shrine, Knock. 18 - 35 years for more information and to book your place. Contact 094-9388100 / 087-6927850 or check our www.knock-shrine.ie/youthministry.

MISSIONARY SISTERS OF ST. PETER CLAVER SAY A SINCERE THANK YOU: Sr. Monica Daly, Sisters of St. Peter Claver wishes to express thanks on behalf of her Religious Order for your generosity towards the appeal made at all Masses last weekend by Mr. Willie Doyle. Willie Doyle was very appreciative of the welcome and hospitality he received. I thought he spoke excellently on the topic and it was more convincing because of him being a layperson. It is important that we continue to be conscious of the needs of our brothers and sisters living in appalling conditions in many parts of the world and respond to them as best we can. That is very much the challenge of today's Gospel - be compassionate as Christ himself was compassionate. The amount contributed at the three Masses last weekend amounted to €707.46c. Sincere thanks for your excellent response and your generosity.

ALTAR SOCIETY FOR KILLASSER CHURCH: There is now a rota of two people per month for the full twelve months. As well as filling the twelve months it would be good to have some substitutes in case somebody cannot be there on occasion. If you would like to be involved, you can give your name to Maureen Murphy 094-9251525 or Fr. O'Mahony.

THE KILLASSER/CALLOW PARISH CALENDAR 2008 was produced last year as a fund-raising project for the parish renovation fund. It was hugely successful. The amount of money collected for Calendars was €18,950 and the cost of printing was €4,590. This gave a profit of €14,250. Sincere thanks to everyone involved in the project and to all who purchased and sold the Calendars. There were 3,000 copies printed and almost 2,000 were sold. It cost very little to print the extra thousand. There are still some copies available which people might still like to have as a souvenir.

THE DANA CONCERT which was a tremendous success musically, socially and in terms of community spirit was also a huge success financially. To date €7,320 has been collected and the expenses amounted to €4,080. This leaves a profit of €3,290 approx. There is still some money to come in and a final figure will be given very soon. Another €320 for tickets was handed in during the past week bringing the total profit now to €3,610 approx. Any further ticket money should be handed in as soon as possible. Again sincere thanks to all who organised, who sold and bought tickets and to everyone involved in putting on such a spectacular show.

THE ARAS ATTRACTA ANNUAL SPONSORED CYCLE took place Saturday 31st May, beginning on Saturday morning in brilliant sunshine from Killasser Community Centre. Sincere thanks to everyone who organised it, all who participated in it, all who sponsored the event and all who helped out in the Community Centre with refreshments and all who helped along the route. Later on Saturday Night a Cycle Function was held in the Gateway Hotel, Swinford which was a most enjoyable gathering. Music was provided by Jivan Ivan and the food was sponsored by the Gateway Hotel, for which we are most grateful. **Anybody still with sponsorship cards and money are asked to return them as soon as possible to Fr. O'Mahony, Bridie Sheerin, Danny Gill or Pat Thompson. All the proceeds of the Cycle will go towards the Parish Renovation Fund. The full amount raised will be published as soon as it is known.**

A SPONSORED CYCLE ORGANISERS' MEETING was held in the Parish Office on Thursday Night last and all monies collected and handed in to date was counted. The amount lodged on Friday in Swinford Credit Union was €4,725 leaving a profit to date of €4,275. If there are still any sponsorship money or ticket money to be handed in, you might do so at your earliest convenience to any of the above names.

CARRAMORE SCHOOL TWINNING: The School from Whitney Bay, near Newcastle, England where Carramore National School visited just a few of weeks ago visited Ireland during the past week. They visited Carramore School on Tuesday last 10th June for a few hours. They were taken on a tour of the school, there were some ice-breaking games to help the children to mingle and get to know each other better. Following that everyone was treated to some lovely refreshments and finally all participated in basketball and soccer on the court and pitch at the school. Following this very special visit they went on to Petersburg, Education and Adventure Centre, near Clonbur where they were staying for two days and nights.
