## KILLASSER/CALLOW PARISH PASTORAL COUNCIL MISSION STATEMENT

*'We seek to become a more welcoming community where God's message of faith,  
hope and love is experienced'*

### 'NOTHING WILL BE IMPOSSIBLE TO GOD'

Don't you just hate it when something upsets your plans? Mary's parents had carefully arranged this wedding. Mary and Joseph had doubtlessly been dreaming of their impending marriage. A visit from an angel changed everything.

We never really know what God has in mind. We can only be sure that it is far more glorious than anything we have planned. 'May it be done to me according to your word' tends to stick in the throat when God's plans vary from our own. God often chooses the unexpected as an avenue to enter our lives and to evoke greatness from us that we never knew existed. Our Father wants each of his children to reach his or her potential.

A pregnancy prior to marriage would obviously have been difficult for Mary to explain both to her parents and to Joseph. This wasn't in Mary's plans. Questions are asked of the angel, answers given and accepted. Mary's plans changed in her humble acceptance of God's will rather than her own. She had no way of knowing how this humble flexibility would affect salvation history.

Challenges, crosses, problems will come to us all. They may well be gifts from God to enable us to achieve the greatness he always envisioned for us.

*'When have I recognised God equipping me for a task or situation that would normally be beyond my capacity or outside of my plans?'*
