

A PRAYER
when in Threat of Disease

Creator God and Father of all,
You entrust the world to our care
and set it teeming
with the beasts of the fields
for our benefit.
For this abundance we thank you.

Now we turn to you
at this time of national anxiety,
for across this season
of birth and new life
moves the shadow
of disease and destruction.

Lord, give us the wisdom
to work together
for the good of all;
Watch over all
whose livelihoods are threatened
by this plague;
Guide all who strive
to protect farm animals
from Foot and Mouth Disease.
We ask this through Christ our Lord.
Amen.
