

Don't miss your chance to own a piece of Mercury history!

For a limited time, Mercury is offering a 65th Anniversary Edition 200 hp EFI outboard that pays tribute to the Phantom Black Fleet of old that made Mercury the world leader in marine performance. This 2004 model year, 2.5L powerhouse features a vintage graphics package inspired by the 1968 Mercury outboards. But that's the only thing retro about this outboard! Standard features include: PCM 038-controlled electronic fuel injection for quick turn-key starts and constant engine adjustment; a 60-amp, belt-driven alternator for impressive charging capabilities; SmartCraft technology for the most powerful integrated engine management system available; and a two-year non-declining factory-backed limited warranty for added peace of mind.

The 200 hp EFI 65th Anniversary Edition is the latest in a long line of legendary V-6 Mercury outboards. Contact [Marine Motors Cork](#) today for complete details.

Specifications

HP @ Prop: 200

kW @ Prop: 149.1

Max RPM (WOT): 5000 - 5800

Cylinder/Configuration: V-6 (60 degree vee)

Displacement (CID/cc): 153/2507

Bore & Stroke (in): 3.50 x 2.65

Bore & Stroke (mm): 89 x 67

Cooling System: Water cooled with thermostat and pressure controlled

Ignition System: PCM 038

Starting: Electric (turn-key)

Gear Ratio: 1.87:1

Gear Shift: F-N-R

Steering: Remote

Alternator Amp: 60 (belt-driven)

Alternator Watt: 756 (belt-driven)

Trim System: Power trim standard

Exhaust System: Through-prop

Lubrication System: Electronic, single point variable ratio oil injection

Fuel Induction System: Loop-charged EFI (electronic fuel injection)

Shaft Length (inches): 20

Shaft Length (mm): 508

Dry Weight (lbs.) (Lightest Version model, excludes engine oil, rigging, hardware and propeller): 425

Dry Weight (kg.) (Lightest Version model, excludes engine oil, rigging, hardware and propeller): 193

Available Propellers: Consult current dealer propeller guide

SmartCraft: Yes

Warranty: 2 years

Recommended Oil: Mercury Premium Plus 2-Cycle Outboard Oil
