

O'Donnell Trip to Austria 2012

All information can be accessed on the web site www.odonnellclan.com future events.

The most important thing right now is deposits. **We require €300 from everyone travelling before February 29th. We also require your name as it appears on your passport.**

Make cheques payable to **O'Donnell Clan Austria 12** and mail same to me, Vincent O'Donnell along with your name as mentioned above.

While this trip is being organised by the O'Donnell Clan Association it is not confined to O'Donnells – everyone and anyone is welcome. Some of the activities are O'Donnell related and will focus on the contribution made by members of the O'Donnell mainline family to that country from 1750 to the present. But we will also do what regular tourists do – enjoy the scenery, food, drink, culture and everything good Austria has to offer and, above all, our own company.

N.B. The itinerary is subject to change.

The entire trip is subject to sufficient bookings. We require a minimum of 45 participants. So please spread the word.
