

# The Wee Binnian Walkers Membership Form

**Important:** Hill walking is an adventure sport and in common with all forms of mountaineering, carries inherent risks of personal injury. Participants should be aware of and accept these risks - those taking part in our club activities do so at their own risk and are responsible for their own actions and involvement. Members are not insured by the club and are advised to acquire personal accident insurance if appropriate. Hill walking requires significant effort so it is wise to ensure that there are no medical reasons why you should not participate. If in doubt, check with your GP.
